

SOLIDEAL MPT/DUMPER PNEUMATICS

THE NATURAL CHOICE

REINFORCED CARCASS
Increased stability and cut resistance

SIDE WALL FENDERS
Reduced side wall damage /
increased cut resistance

SOLIDEAL "COMBI -TREAD"
Out standing On & Off road performance

SOLIDEAL STEPPED TREAD & LUG CAVITIES
Rapid cleaning / unloading of tread area &
Increased traction

NATURAL RUBBER COMPOUNDS
Maximum tyre life, reduced vibration &
greater tear & chunk resistance

50/50 LUG/VOID RATIO
Optimum contact surface area

Approval Certificate No. 98186

Approval Certificate No. 180002

"Natural rubber compounds for greater tear and chunk resistance"
