

# SOLIDEAL GRADER G2/L2

THE NATURAL  
CHOICE

Solideal Grader Tyres, designed & manufactured to the highest standards.

Offering the traction, manoeuvrability, stability & cut resistance demanded on one of the earthmoving industry's most demanding pieces of equipment.

Solideals self cleaning, long lasting & heat resistant stepped tread design, proven both On & Off the road.

Extra heavy duty sidewallfenders, give maximum sidewall and rim protection.

Solideal's Natural Rubber Compounds offer the Maximum Performance on Tarmac, Concrete Rocks & Mud.

Solideals' grader tyre is the ultimate in: traction, floatation, stability, cut resistance & long life.

Approval Certificate No. 96186

Approval Certificate No. 160002

**Natural rubber compounds for greater tear and chunk resistance**
